

Passport Project

Building Community through the Arts

Passport Project's mission is to provide educational experiences that build community through the arts, encourage respect for diversity and rejection of racism and negative bias, and inspire an excitement for learning and the global community.

Passport Project is a 501(c)(3), multicultural, literacy-based, arts education company that reaches children, adults and the community through residencies, performances, workshops. Passport Project was founded in 1998, and since then has served thousands of students and adults in various settings
